About this Financial Services Guide

Partnership that counts

This Financial Services Guide (FSG) is designed to help you to decide whether to use our services as set out in this FSG. It comes in two parts. This is Part One. Part One contains information about the financial planning and advisory services that Total Financial Solutions Australia Limited (TFSA) provides. It also describes how we and your Adviser are paid and what you can do if you are unhappy with our services.

It should be read in conjunction with FSG Part Two which contains information about your individual Adviser and the services that they can provide to you. If you do not receive Part Two with this document, please ask your Adviser to provide it to you or contact us.

About Our Services

Partnership that counts

What financial services can we offer?

We hold an Australian Financial Services Licence that authorises us to provide advice and deal in the following products:

- Deposit and payment products
- Debentures, stocks or bonds issued by a government
- Life products (including life risk insurance and investment life insurance products)
- Managed investment schemes (including investor directed portfolio services)
- Retirement savings accounts
- Securities
- Standard margin loans
- Superannuation.

How will we provide you with financial advice that is in your best interests?

We have a 7 step process for providing you with financial advice that is in your best interests:

1. **Meet with you for an initial consultation.** During this meeting we will make enquiries about your expectations, provide you with full details of the services we are authorised to provide, identify if we are not able to deliver services to you and inform you of our pricing policy.
2. **Collect all the information needed from you.** We call this fact finding. This involves asking questions about your personal circumstances including helping you to determine your attitude towards risk (where appropriate). You are not required to provide any information to us if you do not wish to do so. However, if you do not, it may be difficult for us to provide advice that is in your best interests.
3. **Help you identify your goals and current financial position.** This includes detailing any constraints which may affect our advice to you.
4. **Consider appropriate financial strategies and issues.** We may analyse and review your wealth accumulation, retirement, pension, taxation, social security and estate planning requirements. We may also review your existing investment, superannuation or insurance products. We will develop recommendations and deliver these to you in a Statement of Advice.
5. **Discuss the recommendations with you.** We will help you to understand our recommendations and seek your approval to implement the recommendations that you wish to proceed with.
6. **Implement the recommendations.** We will assist in the completion of application forms and other documents required to implement our recommendations.
7. **Review** your objectives, financial situation and needs, if this service has been agreed to with your Adviser.

What documents might you receive?

Statement of Advice (SoA)

If we provide you with advice about your personal financial circumstances, we will normally give you a SoA. This will confirm the advice we have given and is designed to assist you to decide whether to act on our recommendations. The SoA will also explain our fees for giving the advice and arranging the financial products that we have recommended. A copy of your SoA will be retained on your file for 7 years, and you can request a copy during this time.

Record of Advice (RoA)

On an ongoing basis, a RoA may be provided instead of a SoA if there have been no significant changes in your personal circumstances or, the basis of the advice has not significantly changed since your last SoA was provided. A copy of your RoA will be retained on your file for 7 years, and you can request a copy during this time.

Fee Disclosure Statement (FDS)

If you have entered into an ongoing fee arrangement with your Adviser for a period of more than 12 months, you will also receive a Fee Disclosure Statement (FDS) on an annual basis. The FDS will contain details of the services you were entitled to receive, the services you actually received and the fees which were paid, during the previous 12 months.

Product Disclosure Statement (PDS)

If we recommend or arrange for the issue of a financial product (other than ASX listed securities), we will provide you with a PDS containing information about the product, such as its features and risks.

Partnership that counts

How will we provide you these documents?

We will generally provide these documents to you electronically (via your nominated email address), unless you tell your Adviser otherwise.

How can you provide instructions?

We prefer you to provide your instructions to your Adviser in writing (including email). However, if the matter is urgent you may provide instructions by telephone and confirm them in writing.

What information will we keep about you and can you access it?

Your privacy is important to us. We use the information you provide to advise you about your financial circumstances, goals and strategies. We only provide your information to the product providers with whom you choose to deal (and their representatives). We do not trade, rent or sell your information.

If you would like to examine your file, we will make arrangements for you to do so, and advise you of the costs (if any).

To learn more about how we collect and use your personal information in accordance with privacy legislation, please see our Privacy Policy, a copy of which can be obtained by visiting our website <http://www.tfsa.com.au/Privacy-Policy>.

Separately, as a financial services provider, TFSA has an obligation under the Anti-Money Laundering and Counter Terrorism Finance Act 2006 (Cth) to verify your identity and the source of any funds. This means that we will ask you to present identification documents such as a passport and driver's licence. We will also retain copies of this information.

Your personal information will be held securely. We cannot provide you with services if you are unwilling to provide this information.

Remuneration

Partnership that counts

How are we paid and remunerated?

Your Adviser and TFSA will be remunerated for the financial services we provide to you through any of the methods or a combination of the methods detailed below:

1. A fee for the initial and/or ongoing services provide to you. These may be charged directly to you, or deducted from a product.
2. Other remuneration and benefits paid directly by the product providers whose products we recommend; and/or
3. A small share of the fees charged by the platform that administers your investments.

Your Adviser will discuss and agree their pricing policy, remuneration methodology and payment expectations with you before you accept their recommendations. The remuneration will be fully set out in your SoA. TFSA's operating company, TFS Operations Pty Ltd (TFS Operations), distributes several investment administration platforms on behalf of product and platform providers.

Fee for Service

Your Adviser may charge a fee or hourly rate for services provided to you. This will be agreed with you and your Adviser before the services are provided. For investment products an adviser may agree an initial fee with you of up to 5.5% (GST inclusive) of your initial investment. If this pricing methodology is applied to you, the initial fee will be deducted from your investment. Where an asset based service fee is agreed, your adviser may charge an agreed dollar amount or a fee defined as a percentage of your funds under advice, to be debited from your investments on an ongoing basis.

Example: If your Adviser recommends an investment of \$10,000 with initial remuneration of 4.4% (GST inclusive) and ongoing remuneration of 0.55% per annum (GST inclusive), TFSA will receive \$440 as an initial payment, of which 100% will be passed on to your Adviser. Also, TFSA will receive ongoing payments of \$55 per annum, of which 100% will be passed on to your Adviser (assuming the investment remains at the same amount). Your Adviser will specifically ask you to agree to pay these fees before they are charged.

TFSA is a member of the Partnership Programs of One Life, Macquarie Life, TAL, Navigator and CommInsure Life.
